

WHY HOMECOMING?

On 9th August to 12th August 2023, we will be celebrating God's faithfulness, goodness and mercy for the last 30 years. All we have seen and experienced is nothing but the hand of God actively at work both corporately and individually. We all have seen diverse manifestations of the Spirit of God through the years and it is a unique privilege to be able to gather together in unity to celebrate what God has done.

As we celebrate God's faithfulness, we should also come with earnest expectations for what God will do. This homecoming is not just a gathering. It will be a time where the following will occur:

- At age 30, Joseph and David experienced restoration and enthronement. We are in that season of restoration and enthronement. (Genesis 41:46, 2 Samuel 5:4, Joel 2:25-26)
- The fresh outpouring of the Spirit where visions will be sharpened and gifts of the Holy Spirit will be imparted as it happened in the upper room (See Joel 2:28 and Acts 2). New visions will be birthed and new ideas will come to light
- There will be revelations and divine direction that breaks any form of stagnation. (Isaiah 30:29-32)
- This will be a gathering where we all will be refreshed with fresh oil and living water will flow forth. There will be the impartation of renewed strength and vigor to run the race that has been set before us. (Judges 15:19, John 4:4-15, John 7:37-38)
